**KEYNOTE SPEAKER
KEVIN KWOK**

PANC is excited to welcome Kevin Kwok as our keynote speaker for the 2026 conference. Kevin, who originally hails from the Bay area but recently moved to Boulder, Colorado, was diagnosed in 2009 with early-onset Parkinson's disease at age 48. He is a lifetime executive and consultant in the biopharma industry and a board member of the Davis Phinney Foundation. Throughout Kevin's professional and Parkinson's experience, he has observed the traits of leadership and speaks on the need for patients to take an active role in their own disease course including participating in clinical trials, influencing Parkinson's health policy, embracing patient organizations, and encourages the sharing of each person's lived experience with the disease.
