COVID-19 can live on boxes and bags for up to 24 Hours.

Here are steps you can take to help keep you and your family safe if you receive a package or food delivery.

1. ✔ Don’t bring boxes or bags inside.
   ✔ Unpack outside.
   ✔ Discard packaging.

2. ✔ Carry items inside, touching as few surfaces as possible.

3. ✔ Immediately wash or gel your hands.

4. ✔ Disinfect any surfaces that you touched.
